

BANKSWITCH

APRIL 2021

1. All of the Big Five Canadian Banks refused to sign the U.N. Declaration on Responsible Banking.

2. All of the Big Five Canadian Banks make billions in new loans to the oil and gas industry every year.

3. Developed fossil fuel reserves exceed our carbon budget for staying below 1.5°. Any loan that funds fossil fuel expansion puts millions of lives at risk.

On Earth Day 2021, thousands of Canadians are pledging to move their money to a credit union or whichever one of the Big Five cleans up their act first. **Contact your branch manager today!**
